Details of Disappearance

Bilial was last seen at his home on [Poole Court in Beloit](#). On the morning of August 6, 2011, he ran errands with his mother, Lorrie Hammette. They had a heartfelt conversation, and Bilial expressed a desire to spend more time with her. He mentioned going fishing but was struggling to find friends who were interested. Later that day, a black vehicle picked him up after he called a friend for a ride, but the make and model of the vehicle are unknown. His friends did not recognize it, and this was the last confirmed sighting of him.
