<div>Details of Disappearance</div> <p>Mazuchowski was last seen leaving a friend's residence in Paddock Lake on the morning of March 25, 1997. She has never been seen or heard from again. She had left behind all of her clothing, jewelry, and other belongings at her residence in Camp Lake and did not claim two paychecks from her job. Two days before her disappearance, Mazuchowski had separated from her husband and had temporarily moved in with a male friend. Although there is no hard evidence of foul play in her case, it has not been ruled out. Her whereabouts remain unknown. Neither the friend, Mazuchowski's husband, nor her son reported her missing to local law enforcement authorities. The husband stated he didn't feel it was his responsibility because they were divorced. The three denied any knowledge of her whereabouts. She was reported as missing by her mother on May 19, 1997.</p>	<div>More Information</div> <div>NaMus</div> <div>Doe Network</div> <div>Charley Project</div> <div>article</div> <div>Article part 2</div>
